

Every

Child

Wilderness Trace Child Development Center
is committed to our mission and enhancing the
early education experience for all students.

Rise up.

WE BELIEVE EVERY CHILD HAS VALUE.

WILDERNESS TRACE CHILD DEVELOPMENT CENTER IS AN INNOVATIVE RESPONSE TO THE NEEDS POSED BY PARENTS RAISING CHILDREN WITH VARIED ABILITIES. WE PROVIDE A SAFE AND PROFESSIONAL ENVIRONMENT TO ENCOURAGE PHYSICAL, EMOTIONAL AND COGNITIVE GROWTH THROUGH PLAY, CIRCLE TIME, SENSORY SPACES AND YOGA.

BY INVESTING IN AND RELEASING CHILDREN TO REALIZE THEIR DREAMS, WE AIM TO BREAK THE CYCLES OF DISADVANTAGE ONCE AND FOR ALL. INCLUSION CREATES FRIENDSHIPS, A SENSE OF BELONGING AND JOY.

MISSION TWO

The Twos

Capturing early preschool access combined with introduction to speech therapy activities, play and transitions.

Preschool

Experienced educator with Special Education Degree and IECE Certification. Combined classroom of diverse abilities.

All children benefit from speech/language activities, helping friends with occupational and physical therapies in the classroom or sensory space. Curriculum based learning, in smaller size classroom with additional staff.

Therapy.

Speech Language Pathologist with 23 years of experience.

Physical Therapist with 10 years of experience.

Occupational Therapist with one year of experience at WTCDC and a vast pediatric OT background. All conducted in classroom or sensory space, playground and with peers who have mastered language goals.

WTCDC proudly serves Boyle, Lincoln, Mercer, and Casey Counties. We currently have 54 children engaged in preschool, 26 students have diagnosed medical, physical, speech or behavior identifiers. We have two sensory rooms, a gross motor room, outdoor play area and practice therapeutic intervention Speech, Occupational, and Physical Therapy daily.

Many children we serve would not have the opportunity to attend preschool without WTCDC.

partnership with a mission

Practices.
