## Community Resource Guide

Brought to you by the  
**Interagency Council of Mercer County**  
Dedicated community partners working together  
to make a positive difference in the lives of others.

# 2010-2011

This guide has been created to assist you in locating available resources, agencies and providers serving this area. Information in this guide is based on responses from agencies and individuals to requests for information. Every effort has been made to ensure this guide is accurate. However, over time, some of the information may change. We sincerely apologize for any inaccuracies, omissions or errors. Please contact the Community Organizer at Bluegrass Community Action Partnership (859-734-9549) or the Community Health Educator at Mercer County Health Department (859-734-2229) with any errors or omissions you have discovered and every effort will be made to update this resource guide online.

Thanks to the agencies contributing towards the cost of printing this directory and to The Harrodsburg Herald for printing this at a very reduced cost as a service to our community.

## **FAMILY RESOURCE - YOUTH SERVICE CENTERS**

Your Family Resource and Youth Service Centers (FRYSC) are hard at work for your students each day. FRYSC sponsors many of the programs that your child will be involved in during the school day. We also host many family night activities during the school year. We have annual food drives for local and school food pantries, support groups for adults and students, help our community resources link with students and their families with meeting basic needs, tobacco abuse prevention, reality store, student council, parenting classes and many other activities. We welcome all students and parents to use our center for community resources. If we don't have the answer you need we can help point you in the right direction.

### **KY Division FRYSC Mission**

To enhance students' ability to succeed in school by developing and sustaining partnerships that promote:

- Early learning and successful transition to school;
- Academic achievement and well-being; and
- Graduation and transition into adult life.

### **KY Division of FRYSC Vision**

The Kentucky Division of Family Resource and Youth Services Centers in the Cabinet for Healthy and Family Services shall establish the national standard of excellence in the provision of school-based family support.

### **Baby Teeth Are Important!**

Children should begin seeing the dentist when the first tooth erupts, between 6 months to one year (American Academy for Pediatric Dentistry). The earlier the dental visit, the better chance of preventing dental problems. Brush teeth two times a day; floss at least one time a day. Visit the dentist for routine cleaning and maintenance every six months. Never put baby to bed with a bottle or sippy cup. Avoid soda drinks and fruit flavored drinks, suckers, gummies, etc.

## RECREATION & PHYSICAL ACTIVITY:

<http://chfs.ky.gov/dph/info/dpqi/hp/physicalactivityprogram.htm>

Regular physical activity helps improve your overall health and fitness, and reduces your risk for many chronic diseases. Fitting regular exercise into your daily schedule may seem difficult at first, but the **2008 Physical Activity Guidelines for Americans** are more flexible than ever, giving you the freedom to reach your physical activity goals through different types and amounts of activities each week. It's easier than you think!

[www.cdc.gov/physicalactivity/everyone/guidelines/index.html](http://www.cdc.gov/physicalactivity/everyone/guidelines/index.html)

Adults should do a minimum of 2 hours and 30 minutes of moderate-intensity aerobic activity a week by doing activities like brisk walking, ballroom dancing, or general gardening.

Children and adolescents aged 6–17 years should accumulate 1 hour or more of physical activity daily. Activity should be mostly aerobic but should also include muscle-strengthening and bone-strengthening activities. Youth should include vigorous-intensity activity in this 1 hour on at least 3 days a week.

The year 1774 comes to life as you enjoy a living history experience presented in historic Harrodsburg - Kentucky's first permanent settlement. Preserving Kentucky's pioneer history, the fort has been reconstructed near the site of the original. Heavy timbers form stockade walls and enclose the cabins and blockhouses. Interpreters in period-correct clothing perform pioneer tasks such as woodworking, weaving, broom making, spinning, doll making and blacksmithing and tend the farm animals and gardens. Enjoy the animal corral and visit Kentucky's first schoolhouse, where students sat on wooden benches and used hornbooks for lessons.

Fort/Giftshop/Museum: April 1 to October 31 - Open daily  
9am - 5pm. November 1 'til April 15 - Open 9am to 4:30pm  
M-F and weekends in November and March

Meeting Facility: Available for rental April 1 to October 31.
